

## NEW LABEL AND SECURITY SEAL

## CUSTOMER INFORMATION

FoLex® is pleased to announce changes in its packaging design, including a new security seal. To underline the quality as well as to ensure that dealers and end users will receive premium and genuine products, FoLex® has changed its packaging design. For future shipments, the diazo film bags as well as the boxes will be sealed with a special security seal. Therefore, you will be able to detect any opened material immediately.

In case of any of the following label damages, please contact: [pcb@folex.ch](mailto:pcb@folex.ch)
